Those in attendance:

Shelby Callahan provided the following Financial Report with some input from Mr. Myers:

All money from band camp not in yet.

Outstanding checks to Booster members will be issued by Mr. Meyers following the meeting.

While we do not know the exact amount in our account at this time, Mr. Myers has indicated that "we are not in the hole."

New ties and suspenders for new jazz band members are needed.

Profits from the concessions during Cavaliers were not known at this time.

Still waiting on non-profit status to get a checking account

Dana Bischoff relayed to the members that our non-profit status is still pending.

Dana Bischoff provided the following website update:

Our site is up and running at www.hillsborohawksbandboosters.org

Information is needed to keep the site current. Pictures and info may be sent to Joan Warren for inclusion.

A link to the Band Booster website will be included on the Jr. High and High School sites.

Fundraisers:

Bill Ruble will be at next meeting to talk about the Booster Bucks Program.

Rena Matthews informed us of two potential fundraising opportunities:

- Queens may donate supplies if we fill out form; however, we must obtain our non-profit status first.
- Hardees has two fundraisers: 1) 20% of sales on a particular night can be donated to boosters (Rena will set up night). 2) Coupon books sales where we could purchase books for \$1 and sell for \$5, making \$4 profit

Cup Sales at first football game on September 12, 2008. We will get volunteers to work shifts at next meeting

Looking for a new location to hold a car wash. Britton's said "no, too busy"; Dairy Queen will "get back" with us; Possibility to have at Intermediate School (Sarah Lay will contact Admin to check). Tentative date will be Saturday, September 13. Band Card sales will start on October 31, 2008. Movie Gallery said we can set up table outside to sell them. We need to check with other vendors who offer discounts on the cards for permission to sell outside of their establishments as well. David's Banquet Center will donate a portion of their proceeds for customers who bring in flyers to one of his scheduled dinner nights. David Dunn has suggested that this money can be used as seed money for a trivia night or other fundraising event.
